

MIDBEST RELEASES "DATE NIGHT" – A CATCHY NEW SONG AND VIDEO FOR SUMMER LOVE

NORFOLK, VIRGINIA – On Friday, July 13, hip-hop duo Midbest, featuring members Jared Beasley and Kris "Krees" Demeter, will release a single and accompanying music video for *Date Night*: a tale of young love based on a true story.

Date Night's lyrics narrate Beasley's dating relationship with his wife. The catchy bridge and chorus vocals by Ian Watt go hand-in-hand with instrumentals produced by Sergey Rybchinskiy. It all comes together for the summer's most memorable jam by indie artists.

The music video for *Date Night* was shot in Los Angeles and directed by Timothy James Kay, an award-winning filmmaker whose work has been recognized by WorldFest Houston and The Cannes Film Festival.

Date Night is the fifth of 12 singles Midbest will release in 2018 followed by the release of their first full studio album in early 2019.
